SA LIVED EXPERIENCE LEADERSHIP & ADVOCACY NETWORK

## COMMUNITY OF PRACTICE

# Lived Experience Leadership & Change

As part of the Activating Lived Experience  
Leadership (ALEL) Project by LELAN and UniSA

60 Hindmarsh Square, Adelaide  
(SA Mental Health Commission Building)

Every 6 Weeks

starting  
Wednesday  
February 12th  
9.30-11am

Communities of practice typically involve people who find value and meaning in their interactions or shared area of inquiry. Members of the community consider new ideas and discuss possibilities on new ways of working and responding. They may share or develop resources, tools or guides, or generate co-production in key areas of interest. **This community of practice will be developed as a 'safe space' to encourage discussion, information exchange and capacity building on lived experience leadership and change in mental health in SA.**
